Masters Program in Geospatial Technologies - Schedule 2017-2019																				
2017					**2018**												**2019**			
Sep 1-6	**Sep 7-30**	**Oct 1-31**	**Nov 1-30**	**Dec 1-31**	**Jan 1-31**	**Feb 1-28**	**Mar 1-31**	**Apr 1-30**	**May 1-31**	**Jun 1-30**	**Jul 1-31**	**Aug 1-31**	**Sep 1-30**	**Oct 1-31**	**Nov 1-30**	**Dec 1-31**	**Jan 1-31**	**Feb 1-28**	**Mar 1-15**	
UJI																				
Sep 04														Master thesis Sep 7					Mar 6, end of the program	
Introduction																				
Enrolment																				
	Sep 7 - start of regular courses						*Mar 2*	*- end of courses and deadline for homework/reports*												
	Module 1	Programming																		
		Databases																		
		Software engineering																		
		Applied mathematics: logic and statistics																		
	Module 2	Computer graphics																		
		Multimedia																		
		Image processing																		
		Networks/internet																		
	Module 3	GIS																		
		Spatial analysis																		
		Geospatial infrastructures																		
UNL																				
Sep 04														Master thesis Sep 7					Mar 6, end of the program	
Introduction																				
Enrolment																				
	Sep 7, start of regular courses (1)						*Mar 2,*	*end of courses and deadline for homework/reports*												
		Geostatistics																		
	Module 1	Data analysis																		
	Module 2	Database management systems																		
		Geospatial datamining																		
	Module 3	GIS																		
		Remote sensing																		
		GIS applications																		
		Group project seminar																		
	(1) Not all courses are available every academic year																			
							Moving to Münster, preparation of courses						Moving to Lisbon/Castellón, if applicable							
WWU																				
								Apr 2						Master thesis Sep 7					Mar 6, end of the program	
								Introduction												
								Enrolment												
								Apr 9, start of courses				*Aug 17,*	*end of courses and deadline for homework/reports*							
								Module 4	Digital Cartography											
									Reference Systems											
								Module 5	Selected topics GI											
									Usage-centered design											
									Applications GI											
									GI Forum											
								Module 6	Research methods											
									Project management/GeoMundus
