

Masters Program in Geospatial Technologies - Schedule 2019-2021																			
2019					2020										2021				
Sep 1-6	Sep 7-30	Oct 1-31	Nov 1-30	Dec 1-31	Jan 1-31	Feb 1-28	Mar 1-31	Apr 1-30	May 1-31	Jun 1-30	Jul 1-31	Aug 1-31	Sep 1-30	Oct 1-31	Nov 1-30	Dec 1-31	Jan 1-31	Feb 1-28	Mar 1-15
UJI																			
Sep 2-6													Master thesis Sep 1					Mar 1, end of the program	
Administration																			
Sep 9 - start of regular courses					Feb 29														
Module 1		Programming																	
		Databases																	
		Software engineering																	
		Applied mathematics: logic and statistics																	
Module 2		Computer graphics																	
		Multimedia																	
		Image processing																	
		Networks/internet																	
Module 3		GIS																	
		Spatial analysis																	
		Geospatial infrastructures																	
UNL																			
Sep 2-6													Master thesis Sep 1					Mar 1, end of the program	
Administration																			
Sep 9, start of regular courses (1)					Feb 29														
Module 1		Geostatistics																	
		Data analysis																	
Module 2		Database management systems																	
		Geospatial datamining																	
Module 3		GIS																	
		Remote sensing																	
		GIS applications																	
		Group project seminar																	
(1) Not all courses are available every academic year																			
Moving to Münster, preparation of courses							Moving to Lisbon/Castellón, if applicable												
WWU																			
Apr 1													Master thesis Sep 1					Mar 1, end of the program	
Administration																			
Enrolment																			
Apr 6, start of courses										Aug 9, end of courses and deadline for homework/reports									
Module 4		Digital Cartography																	
		Reference Systems																	
Module 5		Selected topics GI																	
		Usage-centered design																	
		Applications GI																	
		GI Forum																	
Module 6		Research methods																	
		Project management/GeoMundus
