Masters Program in Geospatial Technologies - Schedule 2022-2024

2022					2023												2024		
Sep 1-6	Sep 7-30	Oct 1-31	Nov 1-30	Dec 1-31	Jan 1-31	Feb 1-28	Mar 1-31	Apr 1-30	May 1-31	Jun 1-30	Jul 1-31	Aug 1-31	Sep 1-30	Oct 1-31	Nov 1-30	Dec 1-31	Jan 1-31	Feb 1-28	Mar 1-15
UJI																			
Sep 1-5													Master thesis Sep 6						Mar 5, end of the program
Arrival																			
Administration																			
	Sep 6 - start of regular courses						*Mar 3*												
	Module 1	Programming																	
		Databases																	
		Software engineering																	
		Applied mathematics: logic and statistics																	
	Module 2	Computer graphics																	
		Multimedia																	
		Image processing																	
		Networks/internet																	
	Module 3	GIS																	
		Spatial analysis																	
		Geospatial infrastructures																	
UNL																			
Sep 1-5													Master thesis Sep 6						Mar 5, end of the program
Arrival																			
Administration																			
	Sep 6, start of regular courses						*Mar 3*												
	Module 1	Geographic Information Science																	
	Module 2	Spatial Analysis and Visualization																	
		or: Remote Sensing																	
	Module 3	Spatial Statistics																	
		Geospatial Datamining																	
		Group Project Seminar on Programming and Analysis																	
							Moving to Münster, preparation of courses					Moving to Lisbon/Castellón, if applicable							
WWU																			
								Apr 1-2					Master thesis Sep 6						Mar 5, end of the program
								Administration											
								Enrolment											
								Apr 3, start of courses			*July 14, end of regular courses*								
								Module 4	Core Topics in Geographic Information Science										
									GI Forum										
									GI Forum Discussion Group										
								Module 5	2 out of 5 courses:										
									Location-based Services, Spatial Cognition,										
									Study Project, Programming in GI										
									Reference Systems										
								Module 6			From data to knowledge (Jul 17-Aug 3)								
									Applied topics										
								Module 7	Research methods										
									Project management/GeoMundus										
												Aug 12, deadline for homeworks/reports etc.
